School Partnership & Revenue Sharing Model

01

TEST REVENUE SHARE

School earns a % from every student who takes the Assessment.
MYEDUCATOR manages all reports, delivery & backend.

02

COUNSELLING SHARE

Revenue share on every paid counselling session conducted at your school. You provide the venue — we deliver value.

03

WORKSHOP REVENUE

Per-student revenue split for all AI & Future Skills workshops delivered at your institution.

04

ANNUAL SCHOOL PROGRAM

Long-term institutional partnership with bundled services, dedicated support, and highest revenue share.

✓ Transparent Revenue Sharing

✓ No Heavy Infrastructure Required

✓ End-to-End Support

✓ Full Marketing & Branding Support

Easy School Implementation

Minimal School Workload

We manage the entire execution so your team can focus on teaching.

Online & Offline Capability

Flexible delivery model that works for any school setup.

Full Marketing Support

We provide all communication materials, banners & digital assets.

Why Partner With MYEDUCATOR?

Future-Focused Vision

Built for the AI era — our curriculum is constantly updated with emerging career trends.

AI-Based Career Ecosystem

Technology-powered assessments deliver precise, personalized career pathways.

Student-Centric Approach

Every program is designed around student success and holistic development.

Advanced Reporting System

Detailed analytics and reports for students, parents, and school management.

Expert Counselling Framework

Certified career counsellors with deep domain expertise and empathy.

Tech + Education Integration

Seamlessly blends technology with human guidance for maximum impact.
